

LUKE DAVIES

Luke is 21 and lives in Newquay

I had quite a chaotic childhood and was always in trouble growing up. I was expelled from school at 13 and home tutoring for a while. I liked art and PE, but didn't like written work as I found it hard to concentrate. Since leaving school I have been in and out of trouble with the police and even went to prison when I was 18 which really made me think about my life and where I want to be in the future. I am over the moon to be on the course and am going to grab every opportunity given to me. One day I would like to see myself running my own kitchen and eventually my own restaurant.
